«Instructions»

- Please wear a plain t-shirt for the x-ray.
- (Do not wear printed or embroidered shirts, or clothes with joined bottoms and tops, such as one-piece dresses etc.)
- Do not wear shirts with metal parts or buttons. Do not wear necklaces etc.
- If you have long hair, please tie it back with an elastic band etc.

«X-ray Results and Medical Exam Certificates»

- When additional tests are required, you will be contacted via phone by the end of November.
- If you need a medical exam certificate, additional exams will be necessary (internal exam, blood pressure, height/weight, eyesight). Please call the Student Health Care Center (022-795-7829) to make an appointment in December or later (The x-ray results will require 2 to 3 weeks).

«Working Students»

- If you underwent a medical exam that included a chest x-ray at your place of employment (or are scheduled to do so), you do not need to undergo the fall chest x-ray if you bring a photocopy of your results to the Student Health Care Center. However, in this case the center will be unable to issue a Medical Examination Certificate.

«Student Medical Examinations from Next Year»

- Please undergo the Student Medical Examination in May from next year on.

In the event of an emergency (natural disaster etc.), please see the Student Health Care Center website:
