ATTN: All Students

Executive Vice President for Education and Student Support

Request for Cooperation: Coronavirus-related Pneumonia Outbreak in China

The city of Wuhan in the Hubei province of China is experiencing an outbreak of pneumonia related to a new strain of coronavirus. As much about this disease is still unknown, we ask for your cooperation with preventing infections on campus as follows.

About students' travel restrictions:

Avoid all travel to Hubei Province in China

Postpone any unnecessary/non-urgent travel to elsewhere in China.

About students who are back from China

If you have recently visited China, please perform thorough self-evaluations for 14 days after your return (check yourself daily for fever, fatigue, and coughing). If you feel unwell, please send a report (see *1) about your condition to the e-mail address below and undergo a medical examination at a hospital or clinic (be sure to mention that you recently traveled to China). During the 14 days, when you go out, please put on a mask.
