

## FY 2023 Schedule for 1st Specialized Medical Examination for Students who Handle Radioactive Materials

The exam schedule is as follows. Please make a reservation.

1. After making a reservation, please fill out the Examination Form and bring it to the health exam. It will NOT be possible to fill out the form at the exam, so please do not forget to complete it and bring it with you.
  2. Instructions for making reservations and a sample form can be found using the QR code provided to the departments. Please use it for reference.
  3. If you have not received it yet, please inquire at your department office. We do not know the details of each department, and cannot respond to inquiries on this. Thank you for your understanding.  
If you do not receive a confirmation email after making your reservation (due to entering the wrong email address etc.) you do NOT need to make another reservation.
- \* There are limited reservation slots available, so please refrain from making redundant reservations.

Reservation Site: available from May 22th to 28th.
