Issuance of Medical Examination Certificate

• Medical Examination Certificates used to be issued at the Health Service Center (Kawauchi Campus), but from February 20, 2023 (Monday), they are issued from the automatic certificate machines installed at all seven locations on each campus (for locations, please refer to the Tohoku University Student Life Guide 2023, p. 14).

Other

• The Katahira, Aobayama, Shin-Aobayama, and Seiryō Campus Health Offices (see URL below for locations) have also reopened since FY2022. At each health office, nurses provide health counseling and first-aid treatment on designated days of the week.
