

ATTN: Students / All Staff

Use of Tohoku University Student Health Care Center

Consultations (Student Health Care Center located at Kawauchi-Kita Campus)

- If you would like to schedule a health consultation, please call to make an appointment.

Internal Medicine/Surgery ⇒ TEL 022-795-7829

Mental health ⇒ TEL 022-795-7829

歯科 ⇒ TEL 022-795-7830

栄養相談 ⇒ TEL 022-795-7836

*Influenza diagnosis kits and novel coronavirus antigen detection kits are not available at the Center.

*The staff speak Japanese only. If you cannot speak Japanese, please ask someone who speaks Japanese to assist you.

* Medications can only be prescribed for a maximum of two days.

*The center may be closed due to university events. Please check the Health Service Center's holiday schedule on the website. (URL: <https://www.health.ihe.tohoku.ac.jp/898-2/>)

Issuance of Medical Examination Certificate

• Medical Examination Certificates used to be issued from the automatic certificate machines installed at all seven locations on each campus (for locations, please refer to the Tohoku University Student Life Guide, p. 14).

Other

• At the Katahira, Aobayama, Shin-Aobayama, and Seiryō Campus Health Offices, nurses provide health counseling and first aid on designated days of the week.
